ÓBIDOS | SILVER COAST | PORTUGAL

There is a small terrace between the main door and the door to the house that encompasses a green space where you can relax and enjoy the sunshine.

The bedrooms are separated by a door that provides privacy for restful nights. Two of the bedrooms share a bathroom and an enclosed terrace, while the main suite has its own private bathroom.

A spacious living room is soberly decorated, balanced out by the large windows that give access to the terrace, garden and exterior fireplace. Next to the living room is the dining room and the kitchen, which is equipped with modern domestic appliances and has another access door to the terrace with beautiful views of the resort.

This large, three bedroom villa designed by Nuno Graça Moura also provides a private pool for afternoons in the sun.
